Brig. General A. J. Goodpaster, USA
Staff Secretary
The White House

Dear Andy:

Attached is a suggested draft of a letter
which might be sent to Senator Lyndon Johnson
with regard to [redacted]

I feel that the question of procedure
should be given careful consideration before the
letter is sent, but at the same time we ought to
get it off fairly early if we are to take it up at all
in this manner.

Sincerely,

(Signed) ALLEN W. DULLES
